# Print-On-Demand Services

## What You Need, When You Need It

"Print-on-demand" means just what it says- printing as soon as you need it. More precisely, it means **printing what you need, when you need it, in exactly the quantity you want.**

Joliet Pattern offers a **secure print-on-demand ordering experience** for franchises and other businesses. Our dedicated staff will help you create a custom program to suit you and your clients' needs. Our print-on-demand services integrated with internet platforms for submission, storage and revision are **easy to use, manage, and can add an exciting new element to your P.O.P.**

### Print-on-demand brings some key business benefits:

- 1 Large inventories do not need to be kept in stock.**
- 2 The technical set-up is usually quicker and less expensive than for offset printing.**
- 3 There is little or no waste from unsold products.**

These advantages can lead to increased choice for consumers.

One of Joliet Patterns most successful print-on-demand program clients is Dairy Queen, who we are the number one supplier of large format digital and screenprinted promotional items for. Dairy Queen franchisers can easily acquire their P.O.P. materials by simply logging in to their customized online store and choosing which promotional items to purchase. We provide DQ with their interior and exterior signage including: drive-thru kiosks and sleeves, window clings, product and promotional banners, counter mats, frequency cards, backlit signs, training kits, pole signage, lawn signs, and more...

Because Joliet Pattern both produces and stocks Dairy Queen's full range of inventory items, their **online store is updated daily and orders ship within 48 hours from the receipt of the order.** Orders can be paid by MasterCard, VISA, personal and company checks, and if arranged in advance, we can establish 30 day credit terms on mailed invoices. Our customer service team is available by phone to answer franchisers specific questions and immediately assist them with their order.

If your franchise or business is interested in a print-on-demand store Joliet Pattern would appreciate the opportunity to work with you to project a **positive image for your company and provide you first class service and innovative promotional items.**
